NEW FOR 2017

NEW SERIES

APOCALYPSE

Designed for extreme metal players, with an aesthetic to match, this series comes with everything you're looking for to tear it up. Schecters USA Apocalypse pickups, stainless steel frets, a compound radius for ease of playing, a light weight swamp ash body, and a stained satin finish allow this guitar to take all the abuse on stage and off. Coming in our famed C shape body with Floyd Rose/Sustainiac options and an apocalyptic Rust Grey finish, this series will get the job done!

NEW SERIES

SUN VALLEY SS

Channel your inner shredder because this series was built to make a scene in the scene! With EMGs NEW RetroActive pickups, 24 fret access, exclusive Floyd Rose "Hot Rod" Tremolos and a Sustainiac option, this guitar was made for metal. Stainless steel appointments means resistance to corrosion while rippin it up on stage and with our new Seafoam Green or Lambo Orange finishes, you'll be sure to steal the spotlight.

NEW SERIES

BANSHEE EXTREME

Not only is the Banshee Extreme an incredibly versatile series, but it also slides into place by being one of the most affordable guitars as well! Fitted with a Schecter hardtail bridge or exclusive Floyd Rose 'Hot Rod' Special Tremolo, this series can handle any player no matter the level! Each guitar features a beautiful quilted maple top and pearloid pickguard and comes in four stunning colors that are highlighted with a matching headstock.
